August 23rd 2011: Shifting Caregiving from Crisis to Comfort for Alzheimer's Disease

Lori La Bey specializes in the psychosocial aspects of Alzheimer's disease. She explains her work and her experience as a family caregiver for her mother with Alzheimer's disease. She tells us what people are looking for when they connect with her Blog 'AlzheimersSpeaks.com'. She describes the challenges Alzheimer's disease creates for family caregivers. She talks about the experiences of family caregivers she connects with who are coping with these challenges. She explains what she means by 'crisis' and 'comfort' when she speaks of 'shifting caregiving from crisis to comfort'. She tells us wh

Featured Guest

Lori La Bey

Lori La Bey describes herself as a Driver of Change. Her mission is to shift society's negative perception of aging and illness. She specializes in the psychosocial aspects of Alzheimer's disease and memory loss. She believes that, by removing the fear, embarrassment, and judgment that together cripple our relationships, we can enhance our connections with the people we love and care for. On her Blog 'AlzheimersSpeaks.com' she provides a resource directory along with links to her YouTube Channel and more. She guides businesses, organizations, and individuals on how to improve service delivery and enhance relationships between Patients and Professional and Family Caregivers. She is a professi
