August 30th 2011: Community health centres, diverse communities and family caregiving

Jack McCarthy is the Executive Director of the Somerset West Community Health Centre since 1989. The Centre provides comprehensive primary health care services targeted to the needs of residents in west central down town Ottawa. Dr Ahmed El-Zoeiby, who holds a PhD in microbiology, is a community pharmacist practicing in Ontario. They discuss their work and the types of communities they serve. They explain health promotion, illness prevention, and community wellbeing in relation to needs and family caregiving in the communities they serve. They discuss caregiver needs in faith-based, culture-ba
