**August 30th 2011: Special Encore Presentation:
Concussions and Low Back injuries: What a combination!**

Today's show deals with Steve S, a real concussion patient, his ImPact testing and treatment, as well as review of his symptoms. There is a segment dealing with the diagnosis and treatment of low back injuries from a neurologic perspective, and finally, a recap of the flurry of NFL free agent signings, wetting the appetite of the most hungry football fans, in advance of the upcoming season. Enjoy!
