September 05th 2011: Special Encore Presentation: Profiting from Energy and Mining Plays

Byron King, editor of Outstanding Investments and Energy & Scarcity Investor, has earned the title of the number 1 investment advisory of the last 10 years according to Hulbert's Financial Digest for his acute picks in the world of energy and natural resource stocks. In this interview he will explain what the driving forces behind the surge in energy and metals prices are and how investors can profit from them. For more information, his website is:

Byron King

Byron King is the editor of Outstanding Investments and Energy & Scarcity Investor. These publications reach over 60,000 paid subscribers. He is also a contributor to the Daily Resource Hunter. King is a Harvard-trained geologist who has conducted site visits to mineral deposits in 26 countries and deep-water oil fields in five oceans. This provides him with a unique perspective on the myriad of investment opportunities in energy and mineral exploration. King's newsletter Outstanding Investments was crowned as #1 for the past decade in the area of mining and energy by Hulbert's Financial Digest earlier this year. He has been interviewed by dozens of major print and broadcast media outlets
