September 08th 2011: Why Private Investigators Are Interested in Legislation

Do you know that the only unique identifier in the US is a social security number? Have you stopped to think that if you were to have a legal issue and needed to locate an individual to support your defense or to substantiate your claim, how you would proceed? Have you thought what you would do if a unique identifier such as a social security number was no longer available to locate or verify an individual's identity? Each year, Congress introduces bills to restrict access to personal identifying information. Tune in to hear former Congressional Aide, Larry Sabbath and Jimmie Mesis, the Legis!
