**September 29th 2011: CAR WARS TAKES YOU ON A HIGH-SPEED RIDE THROUGH A TERRIFYING CONSPIRACY OF INDUSTRIAL TERRORISM**

VoiceAmerica interviews veteran business book author Chris Malburg about his first fiction novel and the advantages of Ebook publishing. Car Wars answers the question, what happens when a handful of leaders in one country with the means set their sights on the total dominance of another? Car Wars is first an extraordinarily gripping story with an intensely satisfying end. It is also an insightful look into how each of us—when facing unspeakable evil—can rise up to become something much more than we ever imagined.
