October 4th 2011: Family Feuding

Audrey Miller is the founder and Managing Director of Elder Caring Inc. Dr. Renee Ruitter-Kohn provides various services including individual case management, interpersonal counselling and vocational counselling. Both have personal experience of family caregiving. They describe their work and the services they provide for families where feuding is a problem. They explain the ways in which feuding develops in families, and how it affects members of families such as immediate family caregivers and their siblings, children of parents in their declining years, and parents of children with severe an
