

The Business Elevation Show with Chris Cooper - Be More. Achieve More
Friday at 8 AM Pacific

October 14th 2011:TEAMS - How do you create a great team to achieve more?

We have all been part of teams that have been successful, and some that have simply not worked. Why is it that some teams achieve great things, yet others show such promise and end in failure? It has been said that no one achieves anything of great significance purely on their own, so it is clear that teams are essential to success. During this show we are going to really explore how to achieve high performance within a team, with someone who knows first hand. Kathy Tracey has experienced significant team success in her sporting endeavours, representing New Zealand in the national Kayak team

Kathy Tracey

Kathy is a team player and a team leader. She is a world record holder who, along with 3 other teammates, are the first womens 4's crew to ever complete an entirely self sufficient ocean crossing in a rowing boat. They crossed the Atlantic Ocean in 67 days, 7 hours and 20 minutes. The crew were in the midst of gale force winds and treacherous seas, when they discovered their communication with the world beyond their horizon was gone. The team had to work together through storms and injury and illness to reach their goal. Kathy is an organisational team coach and trainer who runs her own highly successful business, providing organisations with management and leadership development. She is als
