## The Money Answers Show

**The Money Answers Show**  
**Monday at 12 Noon Pacific**  
**October 10th 2011: Profit from History!**

Jeffrey A. Hirsch will discuss recurring market patterns from seasonal to secular and intraday to presidential. Seasonal patterns, in remission 2007-2009, have been marching in relative lock step with historical seasonal rhythms since September 2009. March 2009 appears to be a major secular low. Range bound performance is expected over the next 5-10 years before the next Super Boom takes off and drives the Dow 500% higher. 500+% moves occurred after every major war of the 20th Century on a steady diet of peace, inflation and enabling technology. In the meantime trade the market with a healthy

### Jeffrey A. Hirsch

Jeffrey A. Hirsch is the President of the Hirsch Organization and the Editor in Chief of the Stock Trader's Almanac. He worked with founder Yale Hirsch for fifteen years, taking over in 2001. His new book is Super Boom: Why the Dow Will Hit 38,820 and How You Can Profit From It. He appears frequently on CNBC, CNN, Bloomberg, Fox Business, and many other national and international media outlets to discuss market cycles, seasonality, trading patterns, predictions, and historical trends. Hirsch also edits the Commodity Trader's Almanac and the firm's digital toolkit, Almanac Investor, a subscription-based product including investor alerts, market data, portfolio recommendations, and research
