November 11th 2011: Get Grounded And Improve Your Sex Life!

When I first heard about grounding I was certain that it was a crazy idea. That is until I got desperate and tried it for myself. I finally had some of the best sleep of my life. Now I won't go anywhere without my grounded sheets. What is grounding, also known as Earthing? Well, it has a lot to do with the electromagnetics of the earth. You'll have to listen is to find out more from the man who invented ways that we can ground ourselves while sleeping or doing the other thing that we do in bed- having sex! Clint Ober has discovered that men with Erectile issues and women going through m
