**December 2nd 2011: Portals Doorways to inner Consciousness**

November 11th thru 22nd brought an influx of Light onto planet earth - you're reminded that Light IS the steward of creation. What does this mean? How can we maximize the benefits to be had from this phenomenon? Do you need another perspective on this very spiritual topic of moving into higher consciousness? Join me for a practical class in moving through the portals harmoniously to higher levels of consciousness and self empowerment. It's easier than you think folks.
