**December 21st 2011:CIO Agenda 2012**

What's on the minds and wish lists of CIOs for 2012? What does business expect IT to focus on for next year? ... Increasing enterprise growth, attracting and retaining customers, creating new products or services (read "innovation"), or improving operational performance? In the coming year, how much of IT and IT leadership's investment in time and resources is going to be invested in building new competitive advantage as opposed to business as usual?
