January 3rd 2012: Before and After Seniors'  
Falls: What Family Caregivers Should Know**

Bob Pearson is President of Kimmel of Canada. Neila Curtin is responsible for oversight of the operation of the retirement home portfolio of Greenwood Retirement Communities. They say how and why they got involved with problems of seniors' slips and falls, and how these influence their work. They discuss ways to prevent fall seniors' slips and falls, explain where the risks are greatest at home and in facilities, and say what family caregivers should think and ask about. They discuss what happens after a senior's serious fall, what emergency planning involves, and what family caregivers should

**Featured Guests**

**Bob Pearson**

Bob Pearson has been addressing environmental safety mainly at the industrial level since 1975. Over the years his expertise has been applied to the development of various products that are now available to the general public. Several government agencies have relied on him and his team to make recommendations to elevate safety and reduce slips and falls.
