### Featured Guest

#### Dianne Collins

Dianne Collins is an original thinker and one of the foremost thought-leaders of our time. She consults with executives in the world's leading corporations as well as enterprising entrepreneurs, celebrities, students and evolutionaries in the new system of thinking, QuantumThink. Her life is dedicated to people living spirited, joyful, and masterful lives through leaps in awareness and the expansion of their approach to reality. She is a master of translating ancient knowledge into modern "quantum" terms that provide a practical and transformative platform for the way we conduct our business and personal affairs.
