Wednesday at 7 AM Pacific
January 18th 2012: Building Innovation as a long-term Enterprise capability

Every company wants to innovate for growth & profitability, but is this at the top of business leaders' agendas? Leaders and resources should be aligned to spur sustainable creativity and innovation, but doesn't that require a framework for making innovation efforts measurable and results predictable? What does it take to make innovation a critical long-term capability of the enterprise?
