February 15th 2012: The Alternative Medicine Cabinet

Learn ways to regain health naturally and rely less on drugs and surgery. This interview will benefit you and your family as we cover topics such as depression, obesity, sleep and energy, cancer, nutrition and mind/body medicine. Navigating the world of alternative health can be a challenge and this interview will serve as the perfect guide to clarify confusing topics and help you better understand what might be the best fit for your individual situation.
