February 29th 2012: Transcending the Guru with Jennifer Hough

What if we could connect directly to infinite wisdom and have the confidence of our own innate knowing, finding our natural state of fluidity with life? Jennifer Hough will address this crucial question and more during the show. Is there a physical sense that allows us to go direct with the Universe and what is it? What is an integrated channel and can anyone experience that? Is it possible to have the same clarity about our purpose as the teachers and gurus we see...and even beyond? What is the experience of awakening and can we have that experience now? Jennifer will also lead us through som

Jennifer Hough

Jennifer Hough is a Best Selling Author, Master Guide, and Lover of Life. She made a traumatic transition in her 30's from working for a multinational corporation doing forecasts, to seeing life, people, and the world as an energy holograph. She now travels the world and is a conduit for those who seek the ability to fully live their purpose, with clarity and confidence. Why? Because it became clear that we are ready as human beings to get unstuck, be free, expand our compassion and fully enjoy our lives, instead of living out of fear and control. She engages metaphysical tools that circumvent the need to constantly analyze by going direct with consciousness. Jennifer's work is for those tha
