September 22nd 2011: Pet Loss

Dr. Wendy Packman is a Professor of Psychology at Pacific Graduate School of Psychology in Palo Alto, California. She has written extensively on sibling bereavement and continuing bonds, the impact of a child's death on parents, and the psychological impact of pet loss. She is the primary investigator of an international cross-cultural study examining the continuing impact of a pet's death and she is a co-investigator exploring the use of continuing bonds in pet loss. email: wpackman@paloalto.u.edu (650) 433-3827
