Waking Up in America
Wednesday at 2 PM Pacific
March 14th 2012: Dianne Collins

Join Doctor Val & CW as they talk with Dianne Collins who presents an unprecedented twist to the idea "thought creates reality" taking it from new age lore to intelligent modern necessity. The book highlights absurdities of modern culture, crafting a convincing case for a new thinking paradigm. Surprises, entertains, enlightens on intent, intuition, subtle energy and much more. We thank our sponsors - Sir Jason Winter's Tea, LA Life Style, El Pinto Restaurant in Albuquerque and Emergency Management Solutions Global One - (Emsgo.org) for making our programs possible.
