April 18th 2012: What is Destiny

The word destiny gets thrown about quite a bit both in and out of the New Age/New Thought worlds. When we meet that special soulmate we tend to think it was fated. And we tend to think that destiny is a done deal that it is what it is and there's not much we can do to stop it from happening. And yet in our typically duplicitous way of thinking we also believe that if we work hard we can create the life we want. So, which is true? And what has astrology got to do with destiny? Is an astrological chart a map of one's fate? Or is it just bunk? We go to psychics and we want them to tell us w
