Tuesday at 5 PM Pacific  
April 17th 2012: IS CHINA MORE CAPITALIST THAN AMERICA?

In this show we discuss how China is experiencing extraordinary growth, the growth of patents coming out of Asia, and the need for a paradigm shift in American structure to compete internationally. Bob also discusses his experiences in a recent 10-day speaking tour in Iran to business leaders and MBA students. Other topics include the need for mentors, Crowd Funding, how to attract venture capital into your business, great business quotes and our email segment. We have two terrific guests on the program, Dianne Helbig, who is an expert on how to add value to your business and also Lynton H
