April 20th 2012: Thandiwe Shiphrah Creativity and Spiritual Life

My guest this week is Thandiwe Shiphrah. She is a multidisciplinary artist whose work explores the link between the arts, creativity, personal life enrichment, and the development of healthy communities. Her poetry and artwork appear in several journals and anthologies. Thandiwe is a recipient of the Jubilation Foundation's fellowship for her rhythmic approach to introducing young people to the joys of reading and writing poetry. She has much to share with us about the role of creativity in 21st Century spirituality. For more information on Thandiwe visit www.sonicbids.com/TheBoschInstitute
