May 21st 2012: Energy and the Assemblage Point with Kathy Chambers

The Assemblage Point is a deeply sacred sphere of energy that connects the soul with awakened experience. If aligned properly, the Assemblage Point is situated in a ring of light encircling the body at the heart chakra level. At two feet from the chest in front or 6 to 8 inches behind the body, this energy is like your north star. It has deep wisdom. If the Assemblage Point is in front of you, you walk toward it or it leads you on your life's journey. You uniquely understand and experience the world through the lens of this energetic sphere. You literally walk toward what your soul knows. The

Featured Guest

Kathy Chambers

Kathy Chambers, RN, is an Advanced Eden Energy Medicine Certified Practitioner (EEMCP) and founding EEMCP faculty member. She teaches energy medicine classes including the EEM Foundations Program in Portland, Oregon. Kathy also has a private energy medicine practice for individual clients. Throughout her career as a RN, nothing has had a more profound impact on her than her study of energy medicine as taught by Donna Eden, author of the book "Energy Medicine". She agrees with the renowned heart surgeon, Dr. Mehmet Oz, who says, "The next big frontier in medicine is energy medicine." Kathy loves energy medicine and claims it has changed her life in innumerable positive ways!! The work has
