#### Carla Sridevi Cohen

Carla Sridevi Cohen had a career as a vice president in public relations and a subsequent career as a manager of development in film. She had no energy and after two years of exhaustive tests and doctors telling her they couldn't help her, she was left with a diagnosis of Epstein Barr. She was introduced to TM, which gave a boost to her psychic abilities. The TMers came to her home and one of them told her she was a healer. She later attended an energy balancing session and was again told she was a healer. Carla really had no idea what that meant, but a series of gifted teachers started showing up in her life to help her learn. She has taught healing in the US, Mexico, Greece, Ireland and al
