July 12th 2012: Visualization: Attract what you want and change what you do not want

Much has been written about The Law of Attraction utilizing visualization but now Dr. David Che explains it thoroughly and simply. Addiction is most often addressed using the 12 Steps, but Joanna Johnson uses her Native American traditional visualization to maximize positive results.

Featured Guests

David Che

Dr. David Che has been studying the law of attraction for more than 20 years. He has successfully applied it in his life, and decided to write a book about it when, during his research, he discovered that other books on the subject, greatly oversimplified the law and lacked key pieces of information about it. Using his simplistic approach to teaching the Law of Attraction as a foundation, Dr. Che wrote Total Law of Attraction as a practical guidebook so that others can use it to achieve success and obtain what they desire the most in life. Dr. Che has spoken about The Law of Attraction for numerous organizations including NASA employees, and has appeared on numerous TV programs throughout th
