July 24th 2012: How and where family caregivers find the information they need

Wendy Newman is currently Senior Fellow, Faculty of Information, University of Toronto, following a career in librarianship and public policy advocacy. Carolyn Murray is a musician, composer, artist, community volunteer and family caregiver for her 95-year-old parents and her husband following a serious accident. They explain the information needs of family caregivers and the types of information available to them. They discuss the sources of information needed by family caregivers and describe experience in looking for the information. Using family caregiving guidelines as an example, they ex

Featured Guests

Carolyn Murray

Carolyn Murray is a musician, composer, artist, community volunteer – and caregiver. A graduate of the New Brunswick Teachers' College and the University of New Brunswick (B.A.), she retired from elementary school teaching several years ago after a career begun in her teens. She continues to serve her church and wider community in volunteer roles, in addition to being a faithful caregiver to her 95 year old parents and assisting her husband with his continuing recuperation following a serious accident. She is Organist and Music Director at All Saints Anglican Church in Saint John, NB. She is also volunteer leader of a residents' choir at her parents' retirement community, where her father is
