**July 27th 2012: Special Encore Presentation:
This spiritual journey called life**

Have you given any serious thought to the journey of your spirit down through the ages to this current experience? Is life as spiritual as we have been led to believe? This week's show is a teaching/sharing experience. Join me on a journey of the spirit at the beginning of a new lifetime. We'll take a glimpse at planning and preparation, co-creation of the physical body and the role of the earth's influence in refining the spirit. Do call in with your questions or share with us your own experiences and or cosmic memories on this fascinating subject.
