### Autism One: A Conversation of Hope Archives Available

July 31st 2012: **Special Encore: Hope with Hyperbaric Oxygen Therapy**

Kristi Hogg, mom to Mayci, joins Teri to talk about her daughter's miraculous improvement from manifestations of mitochondrial disease, including cortical blindness and failure to thrive, using hyperbaric oxygen therapy (HBOT). Also helpful have been intravenous nutrition and the gluten-free/casein-free diet. Kristi was awarded the "Most Inspirational Parent Award" at the 2011 AutismOne Dinner Gala and Awards Ceremony in May. Tune in for this heartwarming interview.
