**August 14th 2012: Ron Paul Seeks to Tame the Creature from Jekyll Island**

Ed Griffin and Ron Paul revisit by way of past interviews while your host is on holiday. If there is one book in the world that explains who really owns and controls America through ownership of the Federal Reserve Bank, it is Ed Griffin's book "The Creature from Jekyll Island." Ed discusses the creation of the Fed and how it was used to rid bankers of the competition of free market capitalism in America and clandestinely impart fascism into the U.S. But our Constitution calls for a limited government without a central bank and gold and silver for money to safeguard our liberty. Ron Paul discus

### Featured Guests

#### Dr. Ron Paul

Founder of the Ron Paul Institute for Peace and Prosperity, a two-time Republican presidential candidate and one time Libertarian nominee, and a multiple-term congressman of Texas, is a leading advocate of freedom in our nation. He devoted his political career to the defense of individual liberty, sound money, and a non-interventionist foreign policy. Judge Andrew Napolitano calls him "The Thomas Jefferson of our day." After serving as a flight surgeon in the U.S. Air Force in the 1950s, Dr. Paul went on to deliver over 4,000 babies in his career as an obstetrician. He served in Congress from 1976 to 1984, and again from 1996 to 2012. The Ron Paul Institute for Peace and Prosperity is a pr
