**September 7th 2012: Spirituality - Digging Deeper**

The world in which we live is "Shifting" The shift is intense, evidenced by ecological, and other changes and challenges all around us. Everyone I know, including myself, is experiencing inner shifts. At Spirituality 101 we're also about to shift into a new paradigm. I want to offer a new format, a more focused line of instruction with in-depth teachings aimed at spiritual empowerment that will help you to uncover your inner/Divine self. Call into the show live with your questions and or suggestions at 1-866-472-5795. The new format begins this week with the above topic Blessings.
