Dr. Carole's Couch Tuesday at 1 PM Pacific

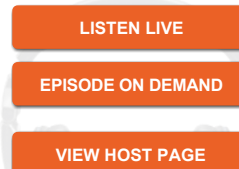

September 11th 2012: 9/11: **INSPIRATIONAL STORIES OF SURVIVAL**

Osama is dead, but terrorism is alive and well. Dr. Carole, author of Coping with Terrorism: Dreams Interrupted urges you to honor victims today: light a candle, say a prayer, hug your children & prepare! This show's guests include: Dr. Benjamin Luft, Director of Stony Brook University's WTC Health Program for 1st Responders, and survivors: Debbie Irwin, Roy Cohen and Andy LaPointe. As much as we would all like to pretend the threat is over, doing so puts us in grave danger.
