**September 19th 2012: Building a Social Community: Tell Me
a Story!**

Social communities and storytelling. The connection? Ask the experts. Rachel Happe, The Community Roundtable: "Social communities leverage an increasingly expensive asset - people - by allowing them to work out loud, connect with more people, establish trust, and find relevant information and solutions more quickly. Our job as community sponsors is to co-create value and be the storytellers of that value. It is no longer a story about us alone, but about that collaborative journey." Sean O'Driscoll, Ant's Eye View, "Social engagement is a journey with defined stages leading to the fully enga
