September 19th 2012: **Weird Varietals...Moving Past Cabernet Sauvignon and Merlot**

It's turning cooler, and for many people that means switching back to drinking more red wine, less white. Over the last several months, we've talked about regions and styles, and touched on some off-the-beaten-path type varietals like Barbera, Mouvedre, and Tempranillo. Let's delve deeper into those amazing grape varietals that make up some incredible wine. These off-the-beaten-path grapes come from all over the world, and many of them are grown a bit of everywhere. However, like most things they thrive best in the indigenous environment. We'll talk about some of the cool varietals from Italy,

[Read more](#)
