the Atlantic in Style: The RMS Queen Mary**

Just in time for Halloween, Ann and Eleanor talk with Captain Will Kayne of the RMS Queen Mary, who will discuss her storied history and tell us about some of her most famous passengers, including ghosts! As one of the grandest ocean liners in the world, the Queen Mary carried Hollywood celebrities, royalty, and dignitaries as her passengers until she was recommissioned as the largest and fastest troopship during World War II. Captain Kayne will also talk about the abundance of Art Deco art and design in her luxurious interiors.
