Is there a difference between manifesting what we want and the concept of co-creation? As we get closer to December 2012, I'm finding this recurring question in my mailbag. Let's talk about co-creation. I'd like to share some nuggets on the concept and give out gentle reminders on how to stay anchored as we reach out to take our places in this new evolving spiritual reality. Call into the show live, or send your comments/questions to me by e-mail at: myspirituality101@yahoo.com .
