# Turning Hard Times into Good Times

with Jay Taylor

**Turning Hard Times into Good Times**  
**Tuesday at 12 Noon Pacific**  
**November 20th 2012: Searching For Safe High Yields in the Midst of a Depression**

Roger Conrad returns to talk safe high yields now when long dated Treasuries yield 2% or less. Conrad's focus is on generating meaningful cash flows from natural resource producers (energy, timber, metals), as well as from pipelines and utilities (electric, cable, telephone and water). We will ask him for some of his top-yield plays with a view to safety. Conrad's focus is mostly in Canada and the U.S. but he also covers a group of select income producers from around the globe so we will ask him for some of his ideas on global political and economic risks. Finally, we will ask him how to pro

## Featured Guest

### Roger S. Conrad

Roger S. Conrad is editor of Utility Forecaster, a leading advisory on essential-services stocks, bonds and preferred stocks. He is also editor of Roger Conrad's Canadian Edge, an Internet-based publication devoted to uncovering lucrative investment opportunities in Canadian royalty trusts; associate editor of Personal Finance; and co-editor of MLP Profits, which covers high-yielding master limited partnerships and includes sample portfolios for aggressive and conservative investors, advice on the tax treatment of MLPs, and proprietary ratings of every name in the Alerian MLP Index.
