November 28th 2012: Special Encore Presentation: Your Ultimate Pet!

What you may not know about me is that I love animals. In fact, I have two dogs and a cat that I love to death and so I thought why not do a show about pet health. So this week that's exactly what I'm doing, I have invited veterinarian Dr. Rob Mason to join me to talk about how you can keep your pet healthier for longer. If you have a dog or a cat, tune in, it may change your pet's life.
