Ed Romanoff never dreamed before 2008 that one day he would be performing his songs on stage across America. In his words, "I just never felt good enough." Always working in the wings and behind the scenes of the music industry, Ed's passion for music only took him so far. But after a major life-changing transformation, he realized that he indeed had the power to reach beyond what he perceived possible. Now, an internationally acclaimed singer-song writer, Ed has launched his first album, is touring the U.S. and has realized just how powerful self-belief can be. Through pursuing his dream, he

#### Ed Romanoff

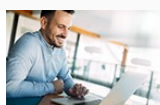

Ed Romanoff is an award-winning singer-songwriter of "Americana" music. Ed Romanoff's 2012 self-titled debut is a gritty masterwork of melancholic and atmospheric Americana. The album evokes the solo work of Mark Knopfler, the swampy mysticism of New Orleans, and the kind of redemption you find at the end of an introspective night with a good bottle of whiskey. "There is something compelling about why I'm doing this now," Ed says thoughtfully. "There is truth in a good song, and when you pursue it, and write about something real, you find out something real and true about yourself. And the more you do it, the more it helps you heal, and it heals others in a similar way. It's a crazy circle
