December 14th 2012: 2012- Planetary Alignment.

The Cosmos is talking to us, are you paying attention? Do you need a definition for what's around the corner? Perhaps you need some pointers to keep you for moving in the "same direction" as you always did. This could be the end of a super long cycle and the beginning of extraordinary change for humankind. We're here to help you to step out of fear and into Universal alignment. Let's come together this week, to prepare for December 21st, 2012. Call the show live at 1-866-472-5795. Blessings to you and yours.
