January 10th 2013: Healing the Incurable**

Gary Blier and Katrina Starzhynskaya both were diagnosed with incurable diseases. Gary found holistic practitioners that cured him and trained him. Implementing those combined theories he developed Advanced Cell Training to teach other people's bodies to overcome disease. Katrina, a holistic practitioner herself would not accept that her Lyme disease diagnosis was incurable. Using alternative treatments along with Gary Blier's Advanced Cell Training program she is now healthy. Find out how to heal your own body.

Featured Guests

Gary Blier

Gary Blier, author of the forthcoming book, "Healing The Incurable," was diagnosed with Ankylosing Spondylitis, a progressive, incurable disease which causes relentless arthritic joint pain and immobility. Determined to beat this condition, he visited all types of traditional and alternative providers and finally found answers in California and Mexico.
