January 30th 2013: Demystifying Parasites: How Ozone Therapy Can Help

Many people think that parasites can only be contracted while visiting other countries. The truth is that you can acquire parasites without ever stepping foot outside the United States, and it's more common than you think. Learn the tell-tale signs of parasites as well as what to do about them, including an incredibly effective alternative treatment called Ozone Therapy. Ozone therapy is extremely functional in helping rid the body of parasites, fungi and bacteria and has been helpful in the treatment of many illnesses ranging from chronic fatigue to cancer. Learn how this therapy works, w

Dr. Howard Robins

Dr. Howard Robins is considered by many to be the leader in intravenous ozone therapy here in the USA and is the only physician with extensive experience in both major forms (Major Autohemotherapy (45,000 treatments performed and Direct IV over 125,000 treatments performed since 1990). He is considered by many to be the foremost clinical expert on Bio-oxidative Therapies in North America. Dr. Robins appeared as a principal doctor, on the documentary (available on DVD) "Ozone Therapy: The Miracle Medicine", with 40 of his patients giving testimonial to the effectiveness of the therapy. Dr. Robins' practice is located across from Carnegie Hall in mid-town Manhattan, where he sees patients fro
