February 12th 2013: Pain Relief with Chinese Medicine

Herbs, as well as acupuncture, are excellent tools for resolving the many ways pain can present itself without the harmful side effects of pharmaceuticals. In this show we will explore relevant research and techniques for resolving both acute and chronic pain from a Chinese Medical perspective. Chinese medicine classifies and discerns specific root causes of pain. Understanding the root cause of pain is essential to resolving the symptom of pain. Michele and Andres will provide examples of cases of severe pain conditions they have effectively resolved, showing how it is possible to avoid s
