February 18th 2013: Hope and Healing for Family Caregivers Caring for Family Members with Alzheimer's Disease

Dr. Tiffany Chow is Senior Clinician-Scientist at Baycrest's Rotman Research Institute and staff Behavioural Neurologist at Baycrest's Sam and Ida Ross Memory Clinic. She authored 'The Memory Clinic', www.ow.ly/hzTh1, stories of hope and healing for persons with Alzheimer's disease and their families. She developed a popular website for children who are caregivers to middle-aged parents with dementia, www.ow.ly/hAF6a. She talks about the challenges for family caregivers caring for family members with Alzheimer's disease, and the help and advice she provides to the family caregivers in respondi
