Ever been around someone who's completely in love with life, someone whose very presence inspired you and made you feel alive? Perhaps it was someone in your family, a friend, a teacher, a colleague or even a boss. Whoever he or she was, they became a main character--The Positive Protagonist--in your life's story. One of the aspects you likely picked up was that you simply felt better, happier, more joyful or energetic in their presence. Want to be the source of causing such feelings for yourself? YOU CAN by creating a life you positively love! Join me for an energizing and engaging
