**February 19th 2013: Making Peace with your Past-Buried
Memories: Katie Beers' Story**

Buried Memories: Katie Beers' Story is a never-before-told true story of survival, memory and recovery. A profoundly neglected and abused child was kidnapped and locked in an underground box for 17 days. With strength and smarts, she slipped the chains of captivity and began a new life. Katie Beers, now a married working mother, breaks her 20-year public silence to reveal the inspiring story of her torment and recovery. The kidnapping of Katie Beers made worldwide headlines in late 1992. As details emerged daily about Katie's pre-kidnapping life of neglect and sexual abuse, public outrage gre

Katie Beers

Twenty years after she was kidnapped, forced into a damp, dark underground hole – 2 feet wide, 7 feet long and 3 feet high – and often held in chains, Katie Beers is speaking out at last about the hellish circumstances she survived. Beers's case made headlines in 1993 when her abductor, building contractor John Esposito, confessed and led police to the crude underground bunker, hidden by a 200-lb. concrete wall, he'd dug underneath his Long Island home. Now living in rural Pennsylvania, married and the mother of two toddlers, Beers realizes she will never have "full closure" on what happened to her, but she hopes her story will help others who've suffered abuse.
