with Jay Taylor

Turning Hard Times into Good Times

Tuesday at 12 Noon Pacific

March 05th 2013: How to Survive the U.S. Government's Ponzi Scheme

Gene Epstein and Rick Rule return as featured guests. Epstein will speak of his latest Barron's Economic Beat article, "One of the Costliest Ponzi Schemes Ever," illustrating how the U.S. social security system is nothing but that—one of the largest Ponzi schemes ever! Of course, that doesn't even take into account other confiscatory acts by the U.S. government and the Federal Reserve in recent years. The productive middle class of America is being eaten alive by parasitic Washington and Wall Street with average Americans no longer having any real recourse through the ballot box. How then can

David M. Cole

David M. Cole Mr. Cole, Pres. & Ceo of Eurasian Minerals, has over 25 years of industry experience, coming to Eurasian Minerals from Newmont Mining Corporation. At Newmont, he held a number of management and senior geologic positions, gaining extensive global experience as a project, mine, and generative exploration geologist in Nevada, Southeast Asia, South America, Europe, and Central Asia. Mr. Cole's success as part of Newmont's exploration team includes contributions at the world class Carlin Trend, Yanacocha, and Minahasa mines. Subsequently, he established and managed Newmont's exploration programs in Turkey while also identifying early-stage acquisition targets in Eastern Europe.

Gene Epstein

Gene Epstein, an economist of the Austrian School--and by political persuasion a libertarian--joined Barron's in February 1992 as Commodities Editor. The following year, he became the weekly's first Economics Editor and the first to write the column, "Economic Beat"-- his responsibility to this day. In October 2010, he also became the Barron's Book Review Editor. Before joining Barron's, Epstein did a 13-year stint at the New York Stock Exchange, mainly as a senior economist. He has taught economics at the City University of New York and St. John's University and holds an M.A. in the subject from the New School and a B.A. in history from Brandeis University. Epstein's book, ECONOSPI
