March 6th 2013: Creating a Place Where People Love to Work!

What if you could create a place where people love to work? Your people loving their work has its roots in how you choose to lead them. Successful leaders lead from their core. By bringing forth their own greatness, they automatically encourage their people to shine as well. Join me for a fascinating conversation with Zack Lemelle, Managing Partner of Corporate Engagement Services at the Institute for Professional Excellence in Coaching. Hear first-hand about Zack's experience and iPEC's proven methodology for creating places where people love to work. We'll explore 5 different leaders

Featured Guest

Zack Lemelle

As Managing Partner of Corporate Engagement Services for the Institute for Professional Excellence in Coaching, Zack Lemelle leads iPEC's Coach Centric Leadership(tm) Engagement Program through which his firm helps develop leaders who build energized and engaged organizations. Zack has over 35 years of experience, including 18 years as VP/Chief Information Officer for a major healthcare company and 5 years in Human Resources as Director of Business Reengineering. Through his many years as a Certified Professional Coach specializing in leadership and business reengineering, Zack has become a master at guiding senior executives and management boards in the development of leaders that forge
