**March 12th 2013: Lessons Learned from China About Integrating Herbs and Allopathic Medicine**

This episode of Holistic Healing with Herbs and Chinese Medicine will focus on the lessons we can learn in the West about how Chinese medicine is practiced in China. Michele and Andres, the show's co-hosts, spent six months studying Chinese herbal medicine in an integrative Chinese hospital, where herbs and allopathic medicine were combined to treat a comprehensive array of health issues, including many common and complex western diseases such as diabetes and cancer. They also studied with private Chinese herbal medicine doctors, including Dr. Yong Jiang, a professor and student of one of the
