March 07th 2013: Breakthrough with Michael Pipich
Thursday, March 7, 2013

One in four women and one in six men have been sexually abused as children. Are you one of them? Or do you know or love someone who has been abused? Recent media exposure of childhood sexual abuse, and the people and institutions that try to cover for abusers, have dramatically brought this issue to light. But for adults who were victimized as children, it may look like there's no where to turn to break the years of silence, and heal from the trauma of early life sexual abuse. On this episode of Break Through, host and therapist Michael Pipich will discuss Surviving Childhood Sexual Abuse
