April 08th 2013: Globalization For The Common Good

Starting a movement for reformation of how Economics is taught at universities, and seeking to instill positive values as a foundation for education and daily life, Kamran Mofid created the Globalization For The Common Good Initiative (GCGI). Joining with a broad spectrum of disciplines from religious communities to think tanks, he spawned the Journal of Globalization for the Common Good, hosted at Purdue University. For 12 years, GCGI's international annual conferences held in different countries, from Russia to Kenya, the United Kingdom, and France, continues to gain momentum, with ever broa
